

Victor A. Bangura is the President and Founder of the Zachary Home Health Corporation in Minnesota, USA; a position he has held for about fifteen years. He is a Registered Nurse trained at the School of San Pietro Isola Tiberina in Rome, Italy. Victor is also the President and Founder of the Reverend Brother Joseph and Benjamin Charities; a non-profit organisation registered both in the United States and Sierra Leone in West Africa.

Mr. Bangura is an entrepreneur and has a wealth of knowledge in humanitarian affairs. He has championed several aid initiatives to help many deprived communities in his native Sierra Leone and the United States. He is a linguist; fluent in English, French and Italian, with some smattering of Spanish.
